

Dear Business Owner,

Beachbones Volleyball Club is based in the Conejo Valley. It is a new volleyball club in the area whose mission is to promote the sport of volleyball through clinics and competitive team opportunities. We want each athlete that plays within our organization to develop and mature as players and to keep the talent of the Conejo Valley in the Conejo Valley.

The U15 team is a nucleus of 5 players from the Shock club team coached by Doug Magorien, Westlake High School's Boy's Varsity Volleyball Coach. The team practiced together for 2 months and won the bronze medal in Atlanta, Georgia for Junior Olympics. The team has added 5 new players and looks to be just as competitive for Junior Olympics in Sandy City, Utah in July. Yariv Lerner, former Thousand Oaks High Boy's Varsity Volleyball Coach and current Santa Monica City College Coach will be taking over for Coach Magorien as the coach for the U15 and U18 teams. We will also have a developmental team of U13 and U14 athletes from the area that will be coached by Doug Magorien and Tom Barr.

Beachbones is run through the Boys and Girls Club which is a non-profit organization. It is designed to be an affordable opportunity for families to be able to have their sons play volleyball at a competitive level. The season runs from November through July and there are 10-12 tournaments that our teams compete in. We hope to send 3 teams to Junior Olympics in Utah which is national exposure.

Many clubs are sponsored by local and national businesses to offset their operating costs. Please consider having your business sponsor our program and help us keep the talent of the Conejo Valley in the Conejo Valley. Your support is a tax deductible donation. Our non-profit tax id # is 91-215-1731. We have different levels of sponsorship:

Bronze Sponsorship- Up to \$1000

- Recognition by the Boys and Girls Club

Silver Sponsorship- \$1000-\$2400
